

CD-R biz Silkscreen Template

20mm - 78mm | 36mm - 78mm | 44mm - 78mm

Layer 1 (template for 44mm) - Please use this template if you are printing directly on the silver of the disc.

Layer 2 (template for 36mm) - Please use this template if you are printing white first and you want the plastic in the center to show through.

Layer 3 (template for 20mm) - Please use this template if you are printing white first and you want to print as close to the center as possible.
